DVAUCTION “ONLINE ONLY AUCTION” HOW THEY WORK-

This means that bidders will be able to preview the lots online with complete information, including their pedigree, EPDs, and possibly a video, for several days prior to the sale. During that time, bidders can leave a maximum bid, which the system will represent confidentially up to that amount. Bidders can also bid incrementally, as the bid advances prior to the close. All lots will close at the same time. Bidding will be extended if a bid is placed on any lot near the closing time. Bidding will officially close when there are no bids placed within a 5 minute period of time.
